Valhalla Renaissance Faire

Walkabout, June 6th and 7th, Camp Richardson Resort, 1900 Jamison Beach Road, South Lake Tahoe, CA 96150

Renaissance Productions warmly invites all to attend South Lake Tahoe's premier annual themed event the last weekend in May and first weekend of June. This event is set in the year 1585 when Queen Elizabeth I was England's magnificent monarch. It was also the age of legendary characters like William Shakespeare, Sir Walter Raleigh, Sir Francis Drake and a host of famous dukes, rogues and scoundrels whom you'll see about the village. Among the activities scheduled for the second weekend of this event is the Codpiece Competition. Our own Master Philip placed second in this event last year and is certain to be vying for a first place finish this year!
