June 17 - Load Up GPM

June 18 - Set Up (partial)

June 21 - Unload

This is our first time at this event. We will be portraying the entourage of the Duke of Orkney (look him up), complete with courtiers, ambassadors, guards, & highlanders. We are looking forward to all of us interacting with Her Majesty's Court (as portrayed by St. Gyles) & all other guilds, to include some preplanned inter-guild gigs. This will be great fun & an excellent opportunity to stretch your characters & acting skills. Tentatively & dependent on attendance we will set up the following pavilions - Bothwell, Courtier/Ambassadors, Guard Quarters/Highlander Tavern with roped yard. Actors Camp is on site. Local hotels are filling fast due to an additional local event.

**Guild Fireworks Fundraising Booth - Modesto
June 28 through July 4**

The guild will be setting up & manning a fireworks fundraising booth during fireworks selling season in Modesto June 28 through July 4. This is our first time with such an endeavor & it will require the assistance of all members. All members will be contacted in early June to schedule as many shifts as each of you can manage. This fundraising event has the potential to raise significant funds. We hope to earmark the funds raised for the eventual purchase of a truck for our props, which suffer a great deal of wear & tear with repeated loads & unloads (not to mention the wear & tear on our load crew). More details to follow.
