1501 Oak Canyon Drive, Newman

Plan to attend the "Historical Meet & Greet" at His Grace's home in Newman on Saturday Jan 15 at 11AM if you intend to play any historical character in 2011. This includes those who are playing a historical character new to them, those who are continuing to play a historical character, and those who want to play a historical character, but have yet to submit a request form and receive approval. A historical character is any figure who truly lived in the 16th century.

Be prepared to tell us about your character, how your character will interact with other historical characters, and how your historical character is related to other historical characters (who is your cousin, you brother etc). His Grace will provide lunch and soft drinks. Contact His Grace with any questions or concerns at EarlofBothwell1562@yahoo.com or (209) 862-4147.
