Saturday, July 16 & 17, 2011

Shaver Lake Community Center

41344 Tollhouse Road, Shaver Lake, Fresno County 93664

Wednesday July 13 ~ Load up 6PM

July 15 ~ Setup 2PM

July 18 Unload Time TBA

We will once again portray the Court of Mary, Queen of Scots at this wonderful event. We will have a full weekend of activities and gigs in Court and the faire site. Load Up at the Keep in Newman is on WEDNESDAY July 13 at 6:00 PM, Set Up on Friday July 15 at 2PM, and Unload Monday July 18 (time to be announced). Household Notes are at 9:00 AM, with Guild notes at 9:30 AM both days. Gates open at 10:00 AM, the faire closes at 6:00 PM on Saturday and 5:00 PM on Sunday. Promoters have amped up publicity and coordination with local businesses and Chamber of Commerce. This will be at the height of tourist season, vendors and guilds are signing up, and we expect the faire to be well attended by locals and area tourists. *We are the focal*

point of this faire and we need you in attendance. Local hotels fill up fast and can be pricey, so if you plan on hoteling it, it is suggested you make your reservations sooner than later. One hotel has a Bunkhouse that may interest some <http://shaverlakevillagehotel.com/bunkhouses.html> Some with RVs are staying at Lakeshore Resort at Huntington Lake <http://www.lakeshoreresort.com/>, some tent campers are staying at Dorabelle Campground <http://www.fs.fed.us/r5/sierra/recreation/camping/campgrounds/dorabelle.shtml>. Last we heard Camp Edison was full, although you may want to check for yourself.

<http://www.sce.com/CommunityandRecreation/CampEdison/default.htm> Actors Camp on site will also be available to those who are Gate Listed. We expect the weather to be warm. You may want to check the weather forecast as the date draws near. <http://www.nws.noaa.gov/> DIRECTIONS: From Fresno, take Hiway 168 East to Shaver Lake, the Community Center is across from Dinky Creek Rd, if you reach the Lake you've gone too far. Search Engine Maps or your GPS may not know the way. Here's a link for directions - <http://www.shaverfaire.org/directions.html>
