~ Chalone Peaks Middle School ~

Wednesday, May 16 Time TBA
667 Meyer Street, King City, CA 93930

Please join us as we present life in 16th century Scotland to students at Chalone Peaks Middle School in King City. Lord Colin MacAndrew is a 7th grade teacher at this school. Typically we talk about weapons of the era, daily life, court life, history of Scotland, dress, perhaps some dancing. What we present is somewhat dictated by which of our members attend. School events are fun (and help us maintain our non-profit status), and the kids are little sponges with some very interesting questions. The school usually provides a light lunch. In this time of budget constraints, please be appreciative of

whatever is provided. Also the school will reimburse part of your motel stay for the night before the event since they start so early in the morning (I know that many of you are familiar with this, please let Lady Cailin know if you aren't and would like more details). Their school is an all-day event, with the kids holding their own court, and having many events outside of the usual school 'presentation'. This is a really fun event. There is only one other School Event left for the year, join us if you can! For more information on this and other school events, please contact Mistress Cailin via Kelly Seaton at noelk00@yahoo.com
