Rained out at this event last year, Her Majesty returns to this event set in a beautiful park. We'll set up Her Majesty's pavilion, the Highlander 12x12 canopy, and the "Wedgy Shack" only. With the Wedgy Shack you will have a place to store your belongings, adjust your garb, etc. The gates for the Modesto Games open to the public Saturday at 9:00 AM. This means as you arrive for your Household Notes at 9AM you are "On" and in character. It will be quite an eventful day with Her Majesty of Modesto on the Throne; Squire Maitiu deFaoite, Lord Oliver Ross, and Mistress Kaylee Sinclair will sing the National Anthem at Opening Ceremonies, and the Squiring Ceremony for Master Maitiu deFaoite will be held with his Champion Sir Craig Melville in attendance. A Gate List will be available at the gate for check in Saturday morning; allow time for check in when arriving Saturday morning. This is a beautiful park, but not in the best neighborhood, remember to lock your vehicle. Remember you are in the Central Valley in June; be prepared for very warm temperatures. Let the Games begin!

~ Alder Creek Middle School ~

Friday, June 8th 7:30 AM

10931 Alder Drive, Truckee

Please join us as we present life in 16th century Scotland to students at Alder Creek Middle School in Truckee. Typically we talk about weapons of the era, daily life, court life, history of Scotland, dress, join in a game of Rounders, and perhaps some dancing. What we present is somewhat dictated by which of our members attend. School events are fun (and help us maintain our non-profit status), and the kids are little sponges with some very interesting questions. The school usually provides a light lunch. Please be appreciative of whatever is provided in this time of budget constraints. This is an all-day event, and has many events outside of the usual school 'presentation'. This is a really fun event and is the last School Event of the year. Join us if you can! For more information, contact Mistress Cailin rua Kelly Seaton at noelk00@yahoo.com

We will be portraying the entourage of the Duke of Orkney, complete with Nobles, Guards, & Highlanders. We are looking forward to all of us interacting with Her Majesty's Court (as portrayed by St. Gyles) and all other guilds. This event gets bigger and grander each year. It will be great fun as always and an excellent opportunity to stretch your character and your acting skills. We will have a drawing for two Winter Feast tickets from the names of members who participated in School Events this year. It was at this event last year when we learned of Sir Craig's collision with a deer and his devastating injuries. He has emerged victorious over the many challenges of the past year; we are working to have venison to BBQ to commemorate Sir Craig's victory in his battle with Sir White Tail.
